Simulation

What Logizian Provides

Business Glossary

Keep a list of business-related keywords. Define them, label them and add aliases if necessary.

Process Simulation

Simulate the execution of process flow for process planning and improvement.

Collaborative Modeling

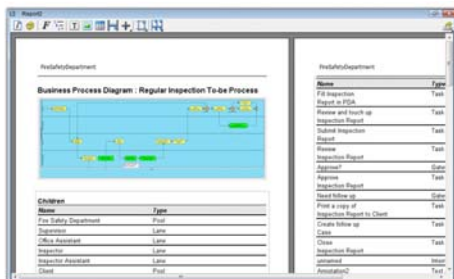

Work as a team, enjoy collaborative and concurrent process modeling experience with Teamwork Server/VPository.com.

RACI

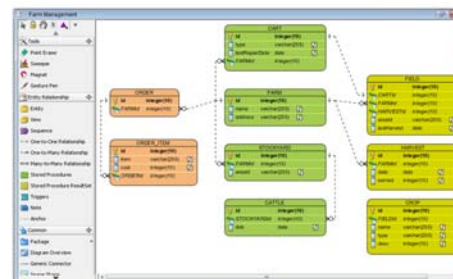

Present and manage participants' task-and-responsibility with chart.

Generate Process Report

Professional system specifications in MS Word, PDF and HTML format.

Data Modeling

Model business entities with Entity Relationship Diagram (ERD).
